

Over the phone interview

Page 1/Home page:

Criticism: Background color is too blinding

Solution: Change color to something more subtle

Criticism: Where is login and logout information?

Solution: Add a user icon and text

Criticism: Rubric options too spread out

Solution: Put them under one header.

Criticism: Year and semester is too specific. Home page should have more output

Solution: List semesters of selected year.

Criticism: Add/update option unclear.

Solution: Change text to be more understandable. Also move update option to the actual courses.

Page 1/Home popup:

Criticism: Nothing shows up for Browse section.

Solution: Add a file icon

Page 2 View Rubric:

Criticism: Background color is too blinding

Solution: Change color to something more subtle

Criticism: Where is login and logout information?

Solution: Add a user icon and text

Criticism: What do the numbers mean?

Solution: Add a section to explain the numbering system

Page 3 Create new course:

Criticism: Background color is too blinding

Solution: Change color to something more subtle

Criticism: Where is login and logout information?

Solution: Add a user icon and text

Criticism: Boxes look like they're floating

Solution: Rearrange the boxes and add a drop shadow and lining to make it look more cohesive.

Criticism: Background color is too blinding

Solution: Change color to something more subtle

Criticism: Where is login and logout information?

Solution: Add a user icon and text

Criticism: Boxes look like they're floating

Solution: Rearrange the boxes and add a drop shadow and lining to make it look more cohesive.

Criticism: Had text on page 3 but not this page. Stay consistent.

Solution: Add text to the boxes

Page 5 Define Criteria:

Criticism: Background color is too blinding

Solution: Change color to something more subtle

Criticism: Where is login and logout information?

Solution: Add a user icon and text

Criticism: Boxes look like they're floating

Solution: Rearrange the boxes and add a drop shadow and lining to make it look more cohesive.

Page 6 Create New Survey:

Criticism: Background color is too blinding

Solution: Change color to something more subtle

Criticism: Where is login and logout information?

Solution: Add a user icon and text

Criticism: Boxes look like they're floating

Solution: Rearrange the boxes and add a drop shadow and lining to make it look more cohesive.

Criticism: Changing the time should bring up a list of clock times instead of having to be manually typed

Solution: Added a clock icon

Criticism: Should have a file icon when browsing

Solution: Add a file icon for Review Assignment box

Page 7 Update Survey:

Criticism: Background color is too blinding

Solution: Change color to something more subtle

Criticism: Where is login and logout information?

Solution: Add a user icon and text

Criticism: Boxes look like they're floating

Solution: Rearrange the boxes and add a drop shadow and lining to make it look more cohesive.

Criticism: Survey Name box shouldn't show the last name of the survey

Solution: Took out that part

Criticism: Changing the time should bring up a list of clock times instead of having to be manually typed

Solution: Added a clock icon
